Experience

AMD

Permanent Full-time · 24 yrs 8 mos

Program Management Director in Multimedia IP Team

Jul 2022 - Present · 9 mos
Markham, Ontario, Canada

Senior Program Manager / Chief of Staff in Multimedia IP team

Feb 2019 - Present · 4 yrs 2 mos

Program Manager in dGPU Physical Design team, Senior Program Manager in Semi-Custom Business Uni

Sep 2005 - Jan 2019 · 13 yrs 5 mos

Executing various SOC level program management for semi-custom projects including schedule planning, IT resource planning, project environment setup, convergence meetings, internal program reviews, customer design reviews, risk and change management.

Managed cross-site physical design program execution and its day-to-day activities centered on resource planning, schedule tracking, and risk management.

Worked collaboratively with the global AMD Program Management community on infrastructure development and continuous process improvement.

Introduced new worldwide standards and methodologies to streamline physical design program management for the global organization.

Coordinated departmental global quarterly IT and headcount forecast which includes working with project managers and program managers to ensure accurate and timely forecast, summarizing site forecast and reviewing with executives.

Co-authoring department global intranet site with other program managers and facilitating that as the central repository of documentation.

Working and negotiating with IT or Design Infrastructure Enablement team in compute and storage allocation.

Drove and facilitated design guideline development; project managed test chip and testing

Saif Alam · 3rd

Vice President of Engineering

July 31, 2012, Saif worked with Amy on the same team

Amy was the program manager on a number of discrete and Fusion projects that I managed at AMD. Amy has keen insights, is very dependable, and is great at tracking deliverables and milestones. Amy is also very hard working and she has the unique ability to quickly identify critical dependencies and...
